INFO

FOR SECRETARY FROM ACTING SECRETARY

You will have read Khrushchev's reply in Moscow's 145. I have discussed this with the President, who is favorably impressed with the conciliatory tone of the message and believes it provides a certain amount of material for discussion with Gromyko prior to any move toward a recess.

If you agree, it is suggested that you invite Gromyko to a ~~private~~ private meeting, mentioning to him the substance of the Khrushchev message and inquire whether he ~~had~~ has received further instructions.

Presume you will keep your colleagues fully informed under same strict security injunction as in case of President's message.
